ADDITIONAL NOTES:

- Meal plans are designed to be used by one student
 - they cannot be shared by multiple students.
- Lion's Pride and Little Lion's are not a per meal package, so missed meals will not be refunded. (However, even if a student is absent a few days, these are still the better pricing option.)
- None of the meal plans are refundable if your student drops out of school, however you may transfer to another student in your family should this occur.
