

The House at Pooh Corner

Makeup and Costume Crew Application

This year's middle school production is **The House at Pooh Corner**. Always a highlight of the school year, the spring play provides many opportunities for students to be involved either on stage or behind the scenes.

Guidelines:

- **Considerations about the commitment.** Being in the play is a commitment that will consume a considerable amount of time. If academics or family life will be adversely affected by that sacrifice of time, participation in the play should be avoided. Academic expectations remain the same for students who are in the play.
- **Be on time.** To make each rehearsal as productive as possible, complete cooperation from each crew member is essential. Only six young women will be selected to be part of this crew
- **Rehearsal schedule.** All rehearsals are required. Carefully look over the rehearsal schedule.
- **Crew expectations.** Crew members should understand that being in the play is a special privilege that can be forfeited by failure to abide by play policies. Those in the crew are expected to maintain an excellent discipline and academic record.
- **Late Stay availability.** Students not picked up when rehearsal is over will be checked into late stay. Regular late stay charges will apply, including the rate of \$12 per 15 minutes after 5:30 p.m.

Please return this form to the Middle School Office by Monday morning, February 15.
